Enhancing workplace dynamics through catering

Offering catering services in the workplace is essential for promoting productivity and well-being among employees in various sectors. Whether it is the government, private, or semi-governmental sector, organizations have realized the significant benefits of providing meals to their workforce. By prioritizing employee satisfaction and offering meals, those organizations can create a positive work environment, improve morale, and boost overall performance.

The importance of providing food in the workplace:

1

Creates a productive and satisfying work environment.

2

On-site food services save time, reduce stress, and promote social interactions.

(According to a Peapod survey, %56 of employees believe that sharing meals with colleagues increases team bonding.)

3

Investing in catering services demonstrates care and support for employees.

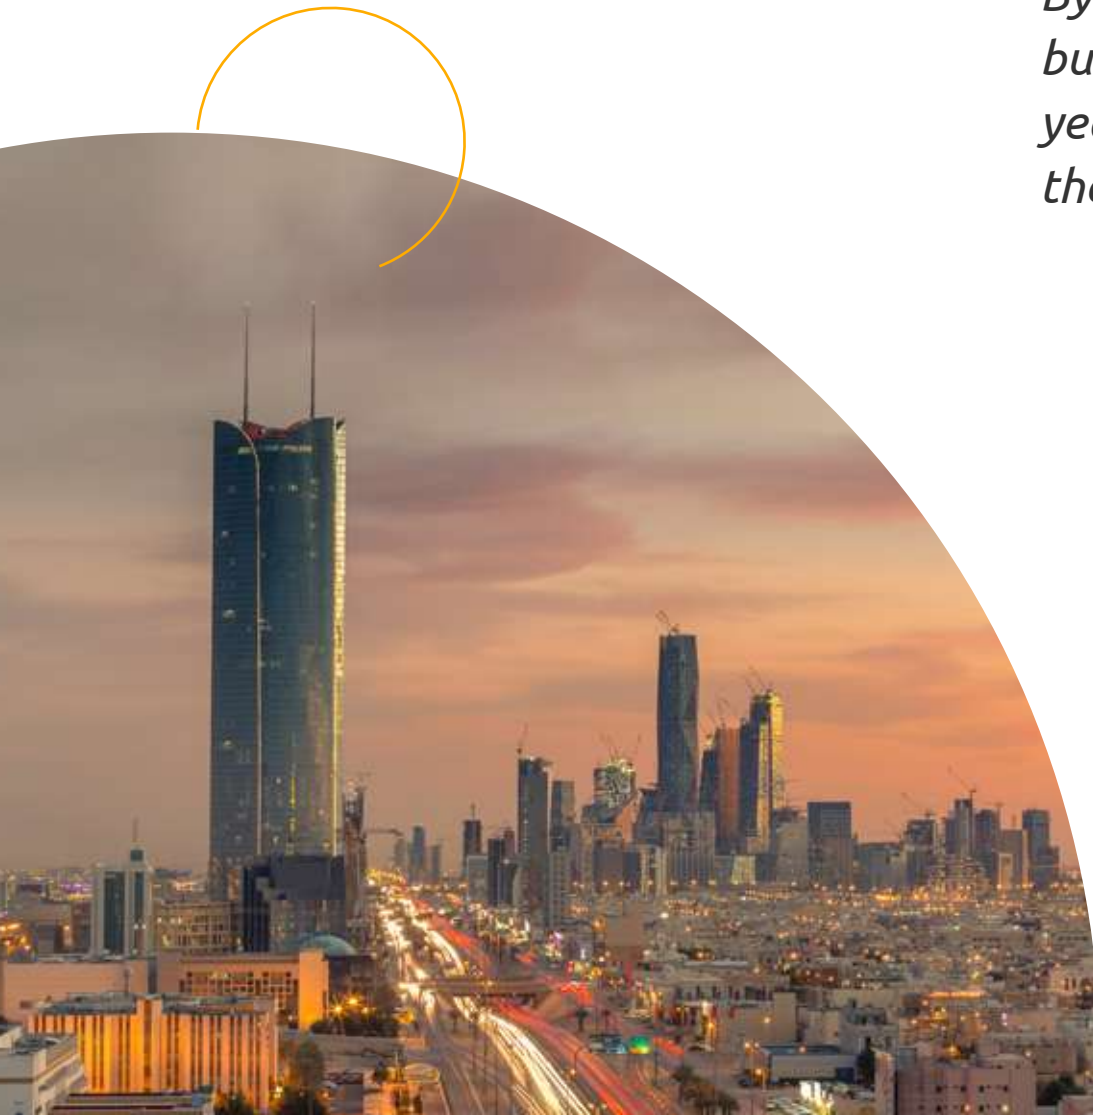

(Resulting in %87 higher employee retention rate, according to a research by Grubhub)

A glimpse of United food:

Having our headquarters in Riyadh, Saudi Arabia, we take pride in calling ourselves one of the leading supplying companies in the Kingdom, offering high-quality products, and driven by our customer satisfaction, and a standard of excellence commitment.

With a wide range of fully customizable, certified high-quality products, we were able to become a key supplier to prominent food and beverage brands including well known coffee shops & hotels such as Starbucks, Caribou, Intercontinental Hotel and many more.

By ensuring precise supply, consistent quality and safety as well as building strategic partnerships with 5 companies over the past 15 years, with one of them being one of the best logistics companies in the region, we aspire to become your “partner of choice”.

Vision

Our vision at United Food is to be the leading provider of premium food products, beverage solutions, and unmatched hospitality services across Saudi Arabia. We aspire to set new industry standards for quality, safety, and taste, while continuously innovating to meet evolving consumer needs. Our relentless focus on customer satisfaction and our commitment to excellence will propel us toward sustainable growth, making us the trusted choice for businesses throughout the Kingdom.

Mission

At United Food, our mission is to consistently deliver superior quality food products, beverage solutions, and exceptional hospitality services in the Kingdom. We are dedicated to providing fresh, safe, healthy, and flavorful products that meet up the standards of our customers. Our unwavering commitment to customer satisfaction and a relentless pursuit of excellence drives us to exceed expectations and create lasting value.

A thriving Partner Network

Because our clients look to us to fully support their businesses, we have formed solid true business partnership with prominent suppliers, manufacturers and service providers over the years.

Together, with those entities, (Alyasra foods, Reman Logistics, Al Khalejiah, Al-Mithali, Top Taste & Hayat Waters) we form one of the most integrated privately owned F&B companies in Saudi Arabia with a supply chain that spans from raw material and ingredients sourcing, manufacturing and production to distribution. As a result, we now boast an excellent portfolio of solutions that best match our partner's specific needs and supports them every day.
